

I AM PUSHING YOUR BUTTONS

WORDS AND MUSIC BY: KITTIES [Kitties]

We are Germans all day long

I am pushing your buttons
Join us at Taco Bell
I am pushing your buttons
We hate toasters
I am pushing your buttons
I ride scooters
I am pushing your buttons
Come visit me
I am pushing your buttons
I'll darken your cereal

We are Germans all day long

I am pushing your buttons
You smell of lemon
I am pushing your buttons
Develop your negatives
I am pushing your buttons
Sample my carrot cake
I am pushing your buttons
I am wearing a diaper
I am pushing your buttons
I'll Bondo your car door
I am pushing your buttons
Summon the vixen
I am pushing your buttons
Biscuits for traitors
I am pushing your buttons
Feed with your eyesight

We are Germans all day long

I am pushing your buttons
I butter my sausage
I am pushing your buttons
Christen the Visigoths
I am pushing your buttons
We are very ticklish
I am pushing your buttons
Boogers!
I am pushing your buttons
Steam the aphrodisiac
I am pushing your buttons
Da Vinci and pretzels
I am pushing your buttons
Expose the jaguar
I am pushing your buttons
Violins for sandwiches
I am pushing your buttons
I like 3-D puzzles
I am pushing your buttons
Hand me the token

We are Germans all day long

I am pushing your buttons
I am petting a zebra
I am pushing your buttons
I'll snuggle your Santa Claus
I am pushing your buttons
Extinguish the rubies
I am pushing your buttons
Saddle the ribblet
I am pushing your buttons
Drive to Connecticut
I am pushing your buttons
Staple the swimsuit
I am pushing your buttons
I am ironing my salad
I am pushing your buttons
I sculpt with Play-Doh
I am pushing your buttons
I have change for a dollar

We are Germans all day long

I am pushing your buttons
The square root of living
I am pushing your buttons
I'll sprinkle your bed sheets
I am pushing your buttons
Soap and gravy
I am pushing your buttons
Your wife is bleeding
I am pushing your buttons
Scrub first with venom
I am pushing your buttons
Would you care for a "yun?"
I am pushing your buttons
Contemplate your fingers
I am pushing your buttons
Zesty!

We are Germans all day long

I am pushing your buttons
I am parting my chest hair
I am pushing your buttons
Shawn McLain, transfigure my wallpaper
I am pushing your buttons
Infringe on your personal space
I am pushing your buttons
Give my your dairy
I am pushing your buttons
Taste these Bacos
I am pushing your buttons
The oven is on the fritz
I am pushing your buttons
Give the freshman a swirly
I am pushing your buttons
A nickel, a nickel, a father
